The Bosworth Company is pleased to announce the availability of its new Product Catalog at www.thebosworthco.com. The new catalog provides a comprehensive and up-to-date listing of all the company's offerings for diaphragm pumps, diverter ("Y") valves, check valves and accessories.

Kenneth Bosworth, President of The Bosworth Company, states, "Our new catalog not only provides a full listing of all our products, it also offers overviews of some of the many diverse and interesting applications and markets in which our pumps and valves are used. We believe this will be helpful as a guide to others to assess what our products can do and how they can be applied to solve their fluid transfer problems."

The Bosworth Company, located in East Providence, Rhode Island, was founded in 1982 by Kenneth Bosworth. The Bosworth Company offers a wide range of diaphragm pumps, valves and pump accessories to meet a variety of fluid transfer needs. The Bosworth Company is certified under ISO-9001.
